**COVID-19:**

On 21 January, the Government of Ireland announced that most of the public health measures currently in place can be removed. However, it remains a requirement to continue to wear masks in appropriate settings – masks will be required to be worn except, when you are eating or drinking, and speaking.

This event is being organised to comply with the Government of Ireland legislation and guidelines currently in force. You are strongly advised to check the current regulations before booking your ticket or travelling. See the [Government of Ireland website](#).
