INFOMAR Seminar 2024 - Preliminary Event Agenda

- **Registration & Coffee**
 - **Welcome & Keynote Address**
 - **Session 1: Seabed Mapping and the Evolving Operational Environment**
This session will provide an operational update on INFOMAR and other international mapping projects, along with associated challenges.
 - **Coffee Break**
 - **Session 2: Seabed Mapping – Data Needs for Monitoring, Management, and Blue Growth**
This session will provide an overview of evolving sectoral requirements for marine and coastal data.
 - **Lunch**
 - **Session 3: The Future**
This session will highlight policy changes and data needs for future seabed mapping, infrastructure, knowledge, and advice in Ireland. The findings of the 2024 external *INFOMAR Programme Review and Foresight Assessment* will be outlined and will form the basis of a high-level panel discussion.
 - **Closing Remarks**
 - **Social Event**
-
