INFOMAR is Ireland's national seabed mapping programme and is funded by the Department of Environment, Climate and Communications (DECC). It is jointly managed by Geological Survey Ireland and Marine Institute and is tasked with fully mapping Ireland's territorial waters for the sustainable development of Ireland's marine resource. INFOMAR will continue until the end of 2026, enabling effective management and accelerated growth to support Harnessing Our Ocean Wealth.

Where space limitation is a problem, a shorter version is provided below

INFOMAR is the Department of Environment, Climate and Communications (DECC) funded national seabed mapping programme, jointly managed, and delivered by Geological Survey Ireland and Marine Institute.
